Dear Resident/ Business owner,

RE: Chingford Town Centre Area Improvements - Footway improvements on Normanton Park E4, outside Whitehall Primary School

I am writing to let you know that work to improve the public space outside Whitehall Primary School on Normanton Road, will begin on **Saturday 4 March**.

The work we will carry out aims to improve access for pedestrians, road safety and the look and feel of the area. We will widen and resurface the footway, provide cycle parking, install informal seating, and plant trees.

We sent you a leaflet last month explaining the results from the public consultation held from 5 September to 3 October 2016, and when the works would start. You can find this leaflet online at <http://www.enjoywalthamforest.co.uk/work-in-your-area/chingford-town-centre/>

Work will take place between 8am and 5pm, Monday to Saturday and will take two weeks to complete, weather permitting. Pedestrian access will be maintained during construction, and may be narrowed in places. Please look out for cones and pedestrian diversion signage during this time.

Please bear with us over the next few weeks so we can make these improvements to the area as soon as possible. Our contractors will be working to keep disruption to an absolute minimum and we will post regular construction updates online at the above link.

Thank you for your patience and in the meantime, if you wish to discuss this construction work, please contact me on 020 8496 1026 or email olu.soyoye@walthamforest.gov.uk

Yours faithfully

A handwritten signature in black ink, appearing to read 'Olu Soyoye'.
