Dear Resident/ Business owner,

Re: New parking and loading arrangements on Markhouse Road

Following on from the latest construction letter you would have received about the Markhouse Road walking and cycling scheme, I am writing to inform you of the new parking and loading arrangements that will come into effect from Monday 20 February.

The new parking and loading arrangements are outlined below:

Dedicated loading spaces

- Two new loading spaces on Ringwood Road
- Two new loading spaces on Downsfield Road
- Two new loading spaces on Low Hall Lane
- Two new loading spaces on Queens Road.

Short stay shopper spaces

- Two new short stay spaces on Ringwood Road
- Two new short stay spaces on Downsfield Road.

All the new spaces, except the spaces on Queens Road will be made available from Monday 20 February.

To keep the works on track and minimise disruption for everyone, we are asking local residents and businesses to avoid parking within the works area until the work has finished. 'No parking' signs and cones will be placed in these areas so please look out for these before you park. If necessary, penalty notices will be issued and your vehicle may be removed and impounded if they are parked in a space that obstructs works. You can find contact details for the Council's parking enforcement contractors and details of their charges overleaf, should you need them.

Please bear with us over the next few weeks so we can make these improvements to the area as soon as possible. Our contractors will be working to keep disruption to an absolute minimum and we will post regular construction updates online at <http://www.enjoywalthamforest.co.uk/work-in-your-area/markhouse-road/construction-updates/>.

Thank you for your patience and in the meantime, if you wish to discuss this construction work, please contact me on 020 8496 1031 or email Sophia.Daniel@walthamforest.gov.uk.

Yours faithfully
