

Neighbourhood and Commercial

Strategic Director: Michele Moloney

10 March 2017

Dear Resident / Business owner,

RE: Construction of speed humps on Wadham Road

I am writing to let you know that we are replacing the road cushions on Wadham Road between Grove Park Avenue and Winchester Road, with full road width speed humps. This work will start on **Tuesday 28 March 2017** and should take four days to complete, weather permitting.

During the work, there will be temporary road changes:

- Wadham Road closed to through traffic between Grove Park Avenue and Winchester Road during construction hours
- Access to residents and business will remain via Billet Roundabout or Fulbourne Road at all times
- Diversions for non-local traffic via Chingford Road, Forest Road and Fulbourne Road
- Parking suspended on Wadham Road between Grove Park Avenue and Winchester Road
- Pedestrians will still be able to walk along the street as normal.

These works are part of ongoing improvements to Highams Park Town Centre, and aim to improve road safety and access for walking and cycling. We sent you a leaflet last year explaining the results from the public consultation held in June and July 2016, and when the work would start. You can find this online at www.enjoywalthamforest.co.uk/highams-park-town-centre/public-consultation.

Construction work will take place over the four days **between 9.30am and 3.30pm**, weather permitting. The road will go back to normal outside of these times. To allow us to carry out the road works safely and on time, please avoid parking in the area. Look out for signs and cones to avoid parking in the wrong place as illegally parked vehicles will get penalty notices and they may be removed - see reverse for details.

Please bear with us during construction so we can make these improvements to the area as soon as possible. Our contractors will be working to keep disruption to an absolute minimum and we will post regular construction updates online at www.enjoywalthamforest.co.uk/work-in-your-area/highams-park-town-centre/construction-update/

Thank you for your patience and in the meantime, if you wish to discuss this construction work, please contact me on 020 8496 1023, or kuhan.thurairajah@walthamforest.gov.uk

Yours faithfully,

Kuhan Thurairajah
Project Engineer, Design & Construction
