

Lea Bridge Road - A Street for Everyone

Section H Consultation Results - September 2015

241 responses

346 individual comments made on the proposals

Top pieces of feedback that we received about the road improvements....

- The plans will make it better for cyclists and pedestrians.
- Would like there to be a right turn from Wood Street into Lea Bridge Road.
- The plans may cause additional congestion, traffic and rat running in the local area.
- Would like to see the proposals go further for cyclists.
- Need to ensure plans allow access into Foresters Drive.

Top pieces of feedback that we received about the public space proposals....

- The plans will improve the area and create a nicer environment.
- Need to consider issues around safety and ensure the areas have good lighting.
- Ensure that on-going maintenance of the proposals are in place.
- Little support for the Epping Forest sign.
